Hi Suzanne,

I'm not in a position to request folks to work over the weekend. I can tell you I'll be here all day tomorrow, and potentially Sunday, to process whatever I happen to get in. HQ says ASAP, but we can only do what we can do.

Thanks,

Rebecca

Rebecca -

Do you anticipate needing assistance from ECEJ on Saturday and Sunday related to reviewing requests from Congressionals and/or press?

Hi all,

In an effort to regain some control over the flurry of congressional requests we are getting in, I will do my best to send prioritized tables for you to review and work on. However, emergency request will come in outside of this process and I ask for your patience and assistance when information is needed right away. Everyone has been exceptional so far and I really appreciate it!

Please find below the Priority 1 requests for ECEJ/EPR. Priority 2 and Priority 3 requests will be coming your way today also. If I am sending these to the wrong people, please let me know who would be better to receive them.

Please circulate **ONLY FINAL** responses to me and please mark them **FINAL**. If you are working directly with the JIC, please add this language: **FINAL with approval from JIC**. If a response does not contain that statement, I will work with Janie Acevedo (our liaison with the JIC) for review and finalization by JIC.

I will then disseminate the final JIC approved response to the appropriate parties.

Please let me know if you have any questions.
